

GREATER NORTHWEST BAPTIST MONTHLY UPDATE

MARCH 2023

INTRODUCTION	Welcome to your second Monthly Church Update. This report is to update you on the progress of major church initiatives. You can find it online, posted at church and in the bulletin on the last Sunday of each month .
WHAT YOU NEED TO KNOW	
BUILDING NEWS	<p>Our ovens are now working great! The ovens have been checked and cleaned and everything is working great. Thanks to our facilities leadership!</p> <p>Kitchen outlets are still being evaluated. Appliances may be re-arranged to determine if the problem is over-utilization on one side of kitchen.</p> <p>Computer lab equipment is in place and ready to host classes and events.</p>
HOUSE UPDATE	The topical survey has been completed on 3450 W. 62nd Street. The survey revealed that we have 3.06 acres instead of 2.79 acres of land. Preliminary renovation documents are in-process.
PLANNING COMMITTEE	2023 Church activities are being finalized by our ministry leadership planning committee. Both traditional and new events will be part of our year. There will likely be some events that require more church participation than in previous years in the way of donations or a small participation fee. The committee is working to mitigate expenses and be good stewards of funds, while providing excellent ministry and fellowship events. Stay tuned for more news!
FINANCE COMMITTEE	Your Finance Committee will allow more time for budget prep this year. The committee will create and communicate a timeline to include all budget activities by the beginning of the fourth quarter. All forms, deadlines and instructions will be available earlier to allow more time for planning the various ministry budgets.

NEXT MONTHLY UPDATE: SUNDAY APRIL 23, 2023
